

## APPENDIX TO THE REGULATIONS – PROPPER DROPPERS INTERNATIONAL COMPETITIONS

### §1. General Provisions

1. This document is a supplement to the Propper Droppers competition regulations and concerns the participation of competitors in international qualifiers and the Propper Droppers European Championships.
2. The provisions of this appendix apply to all federations, clubs, local organizers, and competitors participating in international competitions.

### §2. Qualification for the Propper Droppers European Championships

1. ONLY the top 3 competitors in each category during official national competitions or Propper Droppers international qualifiers are eligible to participate in the Propper Droppers European Championships.
2. Competitors ranked 1 st, 2 nd, and 3 rd receive the right to participate in the European Championships only in the category in which they qualified.
3. If a qualified competitor is unable to participate, their spot does not automatically pass to the next participants (there is no rule of moving up the next places, unless the organizer of the European Championships announces official additional invitations).

### §3. Country without official Propper Droppers competitions

1. Competitors from countries where there is no official partner or organization conducting Propper Droppers competitions have the right to participate directly in the European Championships.
2. In such a case, the competitor must:
  - a. register with the organizer of the European Championships no later than 30 days before the event,
  - b. present the audio system specification and confirm that their vehicle and installation comply with the Propper Droppers regulations,
  - c. agree to a vehicle inspection before the competition.
3. The organizer of the European Championships reserves the right to refuse a competitor's participation if the above requirements are not met or if there is suspicion of rule violations.

### §4. Participation of competitors from outside Europe

1. Competitors from countries outside Europe may be invited to participate only on the basis of an official invitation from the organizer of the European Championships or after qualifying during joint international competitions, if such have been announced.
2. Competitors from outside Europe compete under the same technical and sporting rules as European competitors.

### §5. Final Provisions

1. Every participant in international competitions is required to fully accept the general Propper Droppers regulations and this appendix.
2. The organizer of the European Championships reserves the right to interpret the provisions of this appendix and resolve disputes.
3. Changes to these provisions may be published only in the form of official communications from the organizer
